

Capstone Project 1 (EECE74125)		Project Outline Date: YYYY : MM : DD	Student Name(s):			
CM - Communication	Mastering	Proficient	Developing	Emerging	No Evidence	Not Applicable
CM2 - Organization	4 points	3 points The document structure and organization meet the requirements most of the cases	2 points	1 point	0 points	0 points
CM2 - Writing Mechanics	4 points	3 points Minimal errors exist, but do not distract from or misrepresent the content	2 points	1 point	0 points	0 points
CM2 - Content	4 points	3 points Content is presented accurately most of the cases	2 points	1 point	0 points	0 points
ED - Engineering Design	Mastering	Proficient	Developing	Emerging	No Evidence	Not Applicable
ED1 - Problem Statement	4 points	3 points States what problem the project will solve, but some clarification required	2 points	1 point	0 points	0 points
ED1 - System Description	4 points	3 points Provides a description of what the proposed system will be and/or do, but some clarification required	2 points	1 point	0 points	0 points
ED1 - Rationale	4 points	3 points States why the problem needs to be solved, but some clarification required	2 points	1 point	0 points	0 points
ED1 - Existing and Comparable Solutions	4 points	3 points Identifies some of the known existing solutions for the problem; States if there are no comparable solutions	2 points	1 point	0 points	0 points
SC - Impact on Society	Mastering	Proficient	Developing	Emerging	No Evidence	Not Applicable
SC - Impact on Society	4 points	3 points Project demonstrates positive societal impact through one or more of: - Academic, industrial or professional sponsorship, support or endorsement - Reasoned argument as to the societal relevance of the project	2 points	1 point	0 points	0 points
